Dear Parents and Carers

You may be aware that for some time now there has been discussion about the plan for a new school for our children and community. These discussions have now progressed and you will very shortly be contacted by the Local Authority in partnership with the Manchester Church of England Diocese, to ask you for your views and invite you to attend a meeting on the proposal.

This is an opportunity for us to have a state of the art 21<sup>st</sup> century school and children's centre for our children.

This will mean the closure of both Lewis Street Primary and Christ Church CE Primary schools and the opening of a new school on an extended site on Liverpool Road/Lewis Street. The proposed opening date for the new school is September 2014.

We trust that you will give this proposal your utmost consideration in terms of the many benefits this will have for our community.

With kind regards

Mrs W McCormack  
Headteacher
