

Community Committee - is a sub-committee of Council. Amongst its duties are to act as a focus for the concerns of local people, to review and monitor the delivery of local services and contribute towards the strategic development of the area.

Neighbourhood Partnership Board - supports and strengthens the function of the Community Committee

Environment Task Group - brings together community, statutory and voluntary sectors to support and develop services and projects in the Neighbourhood

Highways Task Group - brings together community, statutory and sector representatives to develop and decide on how the Devolved Highways Budget is spent each year

Youth Task Group - brings together community, statutory and voluntary sector representatives to support and develop services for young people

Devolved Budget Sub Group - made up of community representatives who consider and make recommendations on applications for funding from constituted groups in the neighbourhood

Salford Strategic Partnership - brings together people from the City's public, private, community, voluntary and faith sectors. These people work closely together to ensure that all of Salford's citizens have an equal chance to thrive.

Cleaner, Greener, Safer Teams - local service representatives meet every two weeks to tackle day-to-day issues

Local Partnership Delivery Group - service managers meet monthly to develop plans and procedures around cleaner, greener, safer issues

City-wide Partnership Delivery Group - strategic managers meet monthly to consider issues and develop services to meet them. Has particular focus on crime issues

Crime Reduction and Disorder Partnership - The Partnership is made up of public and private agencies each with their part to play in reducing crime and disorder in Salford.
