Your representation must relate to one or more of the four objectives below	Yes or No	Please detail the evidence supporting your representation or the reason for your representation.
The prevention of harm to children	YES.	The location of the proposed off license is in an area that has children in residence.
To prevent Public Nuisance	YES.	The property is in the location of a bus stop which is very busy, and people will be bothered by underage people to go into the shop.
To prevent crime and disorder	YES.	Outside the property is permanently littered with rubbish which then lands in my garden. on windy days which will only increase along with increased levels of noise from customers.
Public Safety	YES.	There is no place to park a car apart from along the main road so anyone who wants to park outside their own property won't be able to because of all the trade going into this shop.
Suggested conditions that could be added to the licence to remedy your representation or other suggestions		I think that there are enough licensed premises in the area and as I live next door to the proposed shop I feel that my home will be devalued.

Your representation must relate to one or more of the four objectives below	Yes or No	Please detail the evidence supporting your representation or the reason for your representation.
The prevention of harm to children	YES	It would create groups of people of varying backgrounds to congregate, leading in anti-social behaviour, eg. drinking, taking in gardens, smoking on pavement, intimidating behaviour.
To prevent Public Nuisance	YES	There is already a problem using our garden walls for seating. Parking is a big problem for residents already. This would increase with people having to park to visit shops.
To prevent crime and disorder	YES	Already troubled by disorder from residents who suppose home for sale. Numerous residents are worried about their homes being damaged at night. It would be a disaster.
Public Safety	YES	There would be an increase in problems of road safety, we are between 2 primary schools, 2 High schools and a Church. Parking again would be a huge problem. Buses are also a problem.
Suggested conditions that could be added to the licence to remedy your representation or other suggestions		My main suggestion would be not to allow this opening for purpose suggested. The people passing or selling the property might also be a problem. What they would do is not clear.

P101

more anti-social behaviour with young people, underage drinking. The government is supposedly trying to clean up this type of problem. There is an empty property further up which does not have houses quite so close. People waiting at the bus stop including school children have very little room without people coming and going into an off-licence.

P102 we also have enough anti-social behaviour from the public houses and the off-licence. Loud music, drinkers on pavement, drinkers walking from public house to public house with drinks. Loud, abusive and threatening behaviour. Damage to property and cars.

I also witnessed someone already in the premises today, even though permission for said use of property has not been given.

This is a residential area and should on no account allow this property to become an off-licence

ROAD EAST, LITTLE-HULTON. MIC M38-9LQ.
