

## Proposal to Budget Group for the Black Harry Site

The budget group is asked to consider reserving 1822 per year for three years, for the maintenance of the Black Harry site.

This will purchase 15 grass cuts per year.

Parquesfield Residents Association working with the Valley residents Association are applying to Living Spaces for 10,000 to clear the land. However Living Spaces will not fund ongoing maintenance costs.

The application form has to show how these will be met.

Discussions are ongoing as to how these costs can be funded or reduced.

If the Community Committee could underwrite these costs the application can be submitted.

Thank you

Julie McKinnon

Neighbourhood Co-ordinator.
