

# Playbuilder consultation: Have your say on play in Clifton

Salford has secured funding from the Government to build or improve 22 play spaces across the city between April 2009 and March 2011. Eleven sites have already been developed during 2009-10 and following extensive public consultation eleven more sites have now been selected to be developed within the next year.

We would like to invite young people, families, residents and professionals to **design your own play space** and we are planning a series of local consultation events in the coming weeks.

A public consultation is planned for **Clifton Country Park**

**Address:** Clifton House Road, Clifton, M27 6NG

**Date:** Thursday 3 June 2010

**Time:** 3.00 to 6.00pm

And all local people and any groups that use the park or are interested in play are very welcome to attend.

**We want to engage young people with new opportunities for exciting, challenging and healthy outdoor play where it is most needed.**
