Dear Sir & Madam,

I would just like to express our very heartfelt thanks for all the help you have given our group & community.

We could not have started the group without your help.

The playing field that you have also help us develop and fence off is brilliant, although we have a long way to go and we are learning all the time on what to do and how to do it. Just to see the children playing on the field and getting together is lovely. So many people have commented on how nice it is to see the children playing on the field again.

Once again may I thank you all so much.

We are planning a fun day or sports day with money that was donated. and you are all invited when it has been arranged.

P. S. Don't forget your shorts & running shoes.

Yours Very Sincerely
Mrs A. Ruscoe.
