Dear Mr Shacklady,

The SOSCA committee have asked me to write to you and express our thanks to the Swinton Community Committee for the wonderful support shown to our organisation and Groundwork in our efforts to realise our vision for the development of Swinton fields. We have all found Barry's reports from the Community Committee meetings most encouraging. It is so exciting to hear of the progress being made and to begin to believe that our dream could actually happen.

Thank you once again. It is much appreciated.

Yours sincerely,
